Kona

Maui

Kona and Maui have the softest fur and sweetest personalities. They love cuddles, calm company, and spending time with their chicken and duck friends. Kona especially enjoys being held and often joins counseling sessions, where his quiet presence helps create a peaceful and comforting space. Together, they bring warmth, tranquility, and a little extra joy to everyone they meet.

Fun Fact!

Lionhead rabbits get their name from the long, thick fur around their heads, resembling that of a lion.
