D'uccle Bantam

Steel Egger Bantams
They lay blue and green eggs.

At Ohana, our flock brings color, curiosity, and fun to the farm. We have over 20 chickens - all hens - in a beautiful variety of breeds, feather patterns, and egg colors.

Fun Fact!

The red fleshy appendage on the top of a chicken's head is called a "comb." The comb helps regulate their body temperature since they do not have sweat glands like humans.
